Thank you for your interest in the Arell Scholarship Program administered by the Rotary Club of Concord.

In September 2006, Mrs. Evelyn Arell passed away at the age of 96. She, a professional hairdresser, and her husband Noah, an accountant who had predeceased her, did not have children. On her passing, a \$5 million trust fund that had been established through the couple's careful savings and business acumen, was left to 24 local charities and organizations.

In addition to being a recipient of a portion of the Arell trust funds, the Rotary Club of Concord has, over the years, diligently raised funds for scholarships through our charitable trust foundation. Together these funds have enabled the Rotary Club of Concord the opportunity to create a diverse and benevolent scholarship program to serve a wide array of students.

The Arell Scholarship Program is designed to cover many forms of post-secondary education - from licensure and certificate - to two-year and four-year college degree programs (the fund does not cover beyond a bachelor's degree). It is available to traditional students, as well as displaced and adult learners.

Our guidelines and application process are available at our website:

Sincerely,

Rotary Club of Concord NH
